Dear Inspector Conmay,

Our office has concluded the investigation concerning Inmate Fred Huston #72877 monies entrusted to Tonja F. Brown. Our investigation revealed Inmate Huston set up a trust and appointed Tonja Brown as a trustee of that account. Inmate Huston became concerned when no supporting documentation was submitted to him reflecting the source and distribution of his funds.

Interviews conducted with the individuals involved in the trust and the reviewing of the bank documents revealed no criminal activity existed. A conversation with Patricia McGaffin who is the Inmates caseworker revealed Inmate Huston has no further concerns regarding his monies. If you have any questions please feel free to contact me.

Sincere Regards,

GEORGE J. CHANOS

RE: Huston Trust;

Dear Tonja;

First of all I would like to thank you, for taking the time, to be the trustee of my trust, as I had no one that I could have ask to do this for me.

Once you receive the trust from Ms. Treva Hearne, Esq., I would like to have the following done.

I would like to have a savings account opened in my name or in the name of the Huston Trust, and have all but $1,000.00 transferred from my current account to the savings account, and each month or quarterly after the savings account is opened transfer all but $1,000.00 from my current account to the savings, which ever way would be easier for you (monthly or quarterly). The reason that I ask that it be done this way is so that there is no interruption with my retirement check that is directly deposited into my current account which is a checking account.

The reason that I request that a balance of $1,000.00 be maintained in the current account is so I will be able to receive the $150.00 a month that I ask for and to pay any expenses that may arise.

I would further request that you pay Ms. Hearn, for her time and expenses for the preparation of my trust, and also I would expect for you to be reimbursed for any expense or cost that you may incur during your time as my trustee, and also for your time. Once the savings account is opened I would like for you to add the account number to the schedule of trust assets which is attached to the trust and have the monthly statements sent to me. I am enclosing the last statement that I received from the bank with this letter so that you will know the amount that is there now. Once again thank you for your time and assistance.

Sincerely,

Fred Huston
