To be placed on the Record of the Board of Prison Commissioners hearing set for December 5, 2011.

Tonja Brown, Advocate for the inmates and Advocate for the INNOCENT. As an Advocate for several years I have witnessed the abuse of retaliatory behavior, discrimination, illegal acts committed and Slanderous statements made by NDOC as well as other State Agencies.

Recently during the Discovery Process in the litigation in Tonja Brown v Skolnik, et Case No. 157:10-cv-00679-ECR-VPC exculpatory evidence has now seen the light and it has had a profound impact on my Constitutional Rights as well as other inmates Constitutional Rights. Because of this newly discovered evidence that had been withheld from Nolan Klein, inmates, and myself it now raises concerns and an investigation must be conducted by an outside Agency into the NDOC , Attorney General's Office, and the Inspector General's Office.

Governor Sandoval I am requesting that you ask for an outside Investigation into the Attorney General's Office for Constitutional violations eg. withholding exculpatory evidence aka BRADY VIOLATIONS. It is apparent that the Attorney General cannot conduct any kind of an investigation into her own office because it would be a conflict of Interest.

I am demanding a letter of apology from NDOC, the Inspector General's Office, and the AG's Office. attached letters from Fred Huston, and Docs. NDOC 03811, 03854, 03855, 03856, 03857, 03935, 03911, 03912, 03935, I am asking that this Board of Prison Commissioners file a complaint with the State Bar of Nevada against certain DAG's, William Geddes, Janet Traut for what I believe to be violations of the inmates Constitutional Rights. For example Documents H & H 1084- 1089 a 2008 LETTER TO JANET E TRAUT, Senior Deputy AG, from NDOC Rev. Dr. Jane Foraker-Thompson regarding inmates Michael Spencer's and his suit. This letter details the NDOC's discriminatory and retaliatory acts made against certain Earth Based religions, aka Wiccans. Did Mr. Spencer ever receive this letter to be used to benefit his case? Or was it never turned over? He now has it on appeal in the 9th Circuit Court of Appeals.

In Don Helling's August 5, 2011 deposition in Tonja Brown v Skolnik, et Case No. 157:10-cv-00679-ECR-VPC pages 91 - 93, states that in 2007 " We converted over to a new system in '07, July of 07, which means all off the old data was flipped over into the new information system and whe the information was flipped, and that --that errors occurred." it appears that in 2007 inmates had false felony charges placed on their OFFENDER INFORMATION SUMMARY AND ARE NOT AWARE OF IT. There are other pages that refer to this problem.

Then I refer you to inmate Joe Carpino's 2011 letter. In June the AG's office turned over some of the Discovery which clearly shows that 2005 Mr. Nolan Klein's GANG AFFILIATION is WICCAN This is referred to in the August 5, 2011 Deposition of Don Helling pg 156, NDOC 001642. Tonja Brown v Skolnik, et Case No. 157:10-cv-00679-ECR-VPC It is apparent that the Settlement Agreement in Klein v Helling 05-390 case was in non compliance, because, in 2009 he filed suit again in Klein v Corda Case No 3:09-cv-00387-LRH-RAM. One has to question that if this case was really settled then why was he taking it back in 2009, and why is the AR 810 still listed as a TEMPORARY AR? Don Helling's deposition will become a part of the record.

You have NDOC illegally listening in on legal phone calls between inmates and their attorney's going back from the 1990's thur 2009 at at least 2- 3 Institutions. 2008 Case Don Evans, John Witerow, v NDOC ?? Interrogatories of Don Helling and Howard Skolnik. July 29, 2011 Reports and Recommendation in the case. the Law office of Hager and Hearne were being illegally listened in on in witherow when he would call the office of Hager and Hearne. Nolan Klein was one of those whom NDOC illegally was listening in on it was documented and he received a letter of apology. Tonja Brown v Skolnik, et Case No. 157:10-cv-00679-ECR-VPC Deposition of Don Helling page 148, and Deposition of Howard Skolnik August 12, 2011 page 71- 72 refers to John Witherow, Don Evans case.

The illegal opening of legal mail. Documented and should be be placed on the record for the Board of Prison Commissioners December, 5, 2011 meeting. Letter from Joe Carpino and from attorney Travis Barrick. Mention of Wiccans and opening up legal mail.

Below These Documents are a PUBLIC RECORD IN THE TONJA BROWN v STATE OF NEVADA, SKOLNIK CASE. AND YES I CAN PRESENT THESE DOCUMENT TO THE BOARD. IT IS NOT CONFIDENTIAL DOCUMENT AS DAG GEDDES HAS PUT ON THESE DOCUMENTS. There was no court Order to authorize this as a Confidential Document. Mr. Geddes was silencing my voice, my first amendment to clear my name. Avery thing that exonerated us from these slanderous accusations that I was scamming and exploiting the elderly is not true and the documents proved that. They withheld the documentation that cleared us thereby violating Brady material, and unlawful prosecution.
Don Helling's deposition page 173. WHAT IS EXTREMELY CRUCIAL HERE IS ON PAGE 173 WHAT Mr. GEDDES SAID. attached.

This is a prime example how the inmates have been treated unfairly over the years, because, not only did they do this to Nolan Klein, they did this to a me, a private citizen in order to silence me from reporting the abuse within the system.

This exculpatory evidence was withheld from Mr. Klein, and myself and several other state and federal agencies. NDOC continued to keep the false, aka lies in their files knowing that we had been cleared of any wrong doings. They continued to spread around these Slanderous investigative reports instead of removing the information that they knew was not true. They have continued to Slander, defamation of character of our names. The State of Nevada has caused me to become physically ill and emotionally distressed from these false accusations.
