**Effective Date:** 09/16/14

**AUTHORITY:** NRS 284.055; 284.155; 284.175; 284.180 NAC 284.242; 284.245; 284.250 and C.F.R. Part 115

**RESPONSIBILITY:**

Wardens/Facility Managers are responsible to ensure there is sufficient staff on duty to safely operate their institutions and facilities.

An Associate Warden/facility manager are responsible to document attendance, management of relief factor usage by all uniformed staff, and ensure proper documentation is maintained.

**326.01 STAFFING**

**1. NORMAL OPERATIONS**

- A. Normal operation staffing is utilized during the normal operations of an institution. This pattern will identify the staff required to run a specified post when all positions are utilized.
- B. An Associate Warden will create a written staffing pattern identifying and prioritizing specific posts operating within the institution as either a pull position or a shut down position.
  - (1) A pull position is identified as a position in which the assigned officer may be pulled from that position and assigned elsewhere in the institution during their assigned shift.
  - (2) A shut down position is identified as a position in which the assigned officer may be pulled from his assigned post and the post closed with the officer being assigned elsewhere in the institution for their entire assigned shift.
- C. Shift Sergeants reporting for their scheduled shifts will adjust the shift roster and fill all positions mandated to fulfill the minimum staffing requirements.
- D. The shift sergeant will use all Sick/Annual positions first, and then use pull/shutdown positions as appropriate, in the order as listed by the institution.
- E. If the minimum staffing has not been met, the on duty Shift Supervisor will contact an Associate Warden and request the minimum amount of overtime hours needed. The Associate Warden will then

notify the Warden for approval of the decision/overtime approved.

F. Only when all pull positions and shutdown positions have been utilized will overtime be considered.

## **2. EMERGENCY OPERATIONS**

A. Emergency operation staff is the staffing pattern that identifies posts that must meet minimal requirements for officer and inmate safety. This pattern will identify those posts that are critical for running a specific area of the institution.

B. An Associate Warden will create a written staffing pattern identifying additional specific posts within the institution either as pull or shutdown positions; this staffing pattern will prioritize these positions in the order they are to be pulled / shut down in the event of an emergency or staff shortage.

C. Staffing will also be evaluated as to the absolute minimum required to safely operate a particular shift.

D. It may be necessary to modify or cancel some activities as a result of emergency staffing. The Warden/Associate Warden will be notified of the cancellation of any activity or program.

E. Only when all pull positions and shutdown positions have been utilized only then will overtime be considered. Authorization is only granted by the Warden/Designee.

### **326.02 RELIEF FACTOR MANAGEMENT (RFM)**

1. Relief Factor Management (RFM) positions are to be:

A. Used for unscheduled annual leave relief to cover greater than normal sick leave, if it is available.

B. Used for pull and shutdown posts to cover greater than expected sick leave.

2. No more annual leave will be scheduled than there are relief factor management positions available to support the requested leave without overtime.

A. Staff should request annual leave per the requirements of AR 322 Types of Leave' and Leave Procedure.

B. Leave requests submitted without sufficient notice will not be granted if there is no relief factor to accommodate the leave without overtime except in a case of a personal emergency.

3. To the degree possible, Lieutenants and Sergeants should not be replaced, however, these positions may be used as a pull/shutdown position if designated by the institutional staff procedure,

4. Shift rosters for each institution and facility are to be organized so the components of the relief factor can be combined to identify specific staff to occupy RFM positions.

5. Relief factor for regular days off, sick leave, annual leave, or training, will not be combined in order to create new positions.

6. Days off are assigned to the post and not the person.
