Subject: Employee Appreciation Week

To all NDOC Employees,

I would like to take a moment of your time to recognize and appreciate the important contributions that each of you make to maintain our security, health, and quality of life in Nevada. When employees do their jobs, they may think that it's just to be expected and that thanks are not in order; but they are. Your dedication and commitment make me proud to be part of an organization that continues to meet and exceed best standards and practices in our industry. It is my hope that you also continue to have pride in both your own achievements this past year and those of your fellow employees.

Abraham Lincoln once said, "Don't worry when you are not recognized, but strive to be worthy of recognition." Each of you deserves the credit and gratitude of the citizens of Nevada for your public service to our State. It's people like you who make Nevada Strong. Your supervisors have planned celebration events for you and I hope you truly enjoy this week's Employee Appreciation festivities!

Employee appreciation week is dedicated to thank all of you for the services you provide to the citizens of the state of Nevada. It provides a moment to reflect on the great job that you are doing and our commitment to excellence in this profession.

My warmest thanks for all of your hard work, and outstanding contributions, as a member of the NDOC team.
