## Inmate Escape Ends with Quick Recapture

The Nevada Department of Corrections (NDOC) reports that at approximately 5:42 AM this morning a minimum security inmate broke a window, jumped through it and took off on foot from the Stewart Conservation Camp located in Carson City, Nevada. Officers immediately responded with vehicles in the direction the inmate was last seen running.

Inmate Gregory Dale Dakota Sky Maine, Jr., #1166370, a 27 year-old male was committed from Washoe County on September 30, 2016, and is serving a sentence of 24-60 months for Domestic Battery by Strangulation.

Within just a few moments officers had a visual on the inmate. At approximately 5:54 AM, Inmate Maine was recaptured by correctional officers from both Stewart Camp and Northern Nevada Correctional Center in a nearby neighborhood in Carson City.

Maine suffered minor injuries. There were no injuries to NDOC Staff. His escape extinguishes any opportunity for him to be housed in a minimum security camp setting in the future.
