Footnotes

- Note: The figures in this report involve estimates from live data extracted from a data warehouse. Thus, select distributions may not add up to 100% due to rounding or may not equal to the totals in published reports. Report run dates for select statistical information may affect totals and cause them not to balance to the actual population at month end until fully reconciled.
 - Unless otherwise stated, all data is derived from the NOTIS data warehouse, and includes all offenders which are not on parole.
