

CORECIVIC

SAGUARO CORRECTIONAL CENTER (SCC)

SCC is a multi-level security facility owned and operated by CC. SCC is not a local, state, or federal institution. SCC is a correctional facility contracted to house inmates from the State of Nevada Department of Corrections. SCC does not have the power to release any offenders, other than by orders of the State of Nevada or a court of competent jurisdiction. SCC provides a safe and secure environment for inmates from the State of Nevada. The institution is located halfway between Tucson and Phoenix, Arizona, on State Highway 87 in Eloy, Arizona. Casa Grande, Arizona is the closest metropolitan area with lodging and food available.

INMATE RESPONSIBILITIES

Inmates must contact their Unit Team members to solve disputes. Do not call SCC to speak to the Unit Team, Business Office, or medical staff, as no information will be provided due to privacy issues. SCC will never disclose information regarding the following to anyone, other than the inmate: Inmate ID or commissary number, inmate's current facility location, information on receipt/non-receipt of funds, medical information (unless by court-order), reason an inmate was moved within or outside the SCC, account balances, commissary information, individuals on inmate's approved visitation list, or disciplinary issues. Phone calls made to SCC will be forwarded to a central call box, and then logged and answered in the order received. SCC will make every effort to return all calls within 2 business days.

SCC will not deliver messages to inmates or advise inmates to "call home," except for instances of a verifiable death in the family or an extreme emergency. For verifiable emergencies (i.e. information regarding the safety of an inmate housed at SCC), request to speak with the on-duty Shift Captain or Administrative Duty Officer, and state the nature of the emergency. Another option is to contact the State of Nevada Department of Corrections, who will then contact the SCC. Do not leave emergency information on SCC's voicemail.

INMATE GRIEVANCE

Family members cannot file a grievance on an inmate's behalf. SCC has an informal resolution process to address inmate concerns. An informal grievance form is available from any unit staff. Inmates are required to utilize the informal resolution process through the Unit Team prior to the submission of a formal grievance. A formal grievance will not be issued without having first completed an informal grievance. If no solution is reached in the informal resolution process, the inmate may file a formal grievance. This grievance must state that an informal resolution was attempted. The only exception is if an inmate has an "Emergency Grievance," which is applicable when the inmate is at risk of personal injury or irreparable harm. Grievances are considered special correspondence if it is placed in a sealed envelope and labeled, "Grievance," and addressed to SCC's Grievance Officer. The sealed envelope will not be opened for inspection unless there is reasonable suspicion to believe this envelope contains contraband.

TELEPHONE PRIVILEGES

SCC utilizes IC SOLUTIONS for the inmate phone system. Inmates must advise SCC staff of the phone numbers they wish to call. Conducting a 3-way call when speaking with an inmate from SCC may result in the phone number being blocked from future incoming calls from the inmate. Inmates need to purchase phone time through the inmate commissary, or family/friends may set up a pre-paid account by contacting IC SOLUTIONS. For questions related to the setup of a pre-paid account or blocked phone numbers, contact IC SOLUTIONS at 1-888-506-8407.

MAIL PROCEDURES

Inmates may only be sent letters and photos. Photos should be limited to 5, non-Polaroid photos in each letter. SCC staff monitors incoming/outgoing mail. Do not send books, magazines, food items, or money orders to the inmates. With the approval of the Unit Team, inmates may purchase books/magazines with funds from their accounts. Any unauthorized item that is sent to the inmate will be returned at the inmate's expense. Any suspicious mail that appears to cause a threat to the safety and security of SCC may cause a delay in the processing of mail. The inmate mailing address is: Saguardo Correctional Center, 1252 E Arica Road, Eloy, AZ 85131.

LEGAL MAIL

Mail from government officials, attorney of record, and the courts are considered Legal Mail. Legal mail will be opened and checked for contraband only in the inmate's presence. The envelope must be marked "Legal Mail" and must be marked by the sender with the proper seal or identification information. Mail not properly marked and addressed, will be returned to the sender. Be advised that mail marked "Legal Mail" and its contents are found to be other than legal mail, will be rejected and may lead to restrictions placed on the sender for fraudulent representation of legal counsel. Legal Mail shall be addressed in the following format:

Attorney's Name, Attorney-at-Law

Funds will be returned to sender if not on the approved inmate visit list. Money orders must be deposited through a bank processing center, and not at SCC. Family/friends must send money orders separate from all correspondence, to the processing center. No inmate may receive (posted to account) more than \$500.00/month, which includes all deposits/monies sent. Amounts over this amount will be rejected, and may lead to a delay in processing a return of these funds. Personal checks, cashier's checks, and cash are not accepted. VISITATION PROCEDURES

Effective 07/01/2011, all visitors must be on an inmate's approved visitation list. It is the inmate's responsibility to submit a visitation list for approval, and to notify the visitor of their approval/denial. Visitors who show up at SCC, and are not on the inmate's approved list, will not be allowed to visit. All visitors are required to register and record their name, address, and relationship to the inmate. Visitors, age 16 and older, must present proper identification, a government issued photo identification (ID) that is issued by a State or Federal Agency. No other type of ID is acceptable. There will be no exceptions. All non-contact visits will take place in the non-contact visitation area. In this area, glass windows separate inmates and visitors, and all communication between visitors/inmates is conducted by telephone only.

Individuals on active probation/parole must obtain written approval to visit. Former inmates will not be allowed to visit unless the inmate is off supervision, has the recommendation of their supervising agent, and has prior written approval from the Warden. siblings, and children). Former inmates that were victims of the crime the inmate is currently incarcerated for, or was convicted as part of the crime the inmate is currently incarcerated for, will not be allowed to visit. Any rules that the PSD has regarding visits of this type will also apply, and the PSD's approval will also be required.

For inmates in general population, if visitors are traveling within 300 miles of the SCC, visits may be scheduled for either in the morning or afternoon hours on each day of visits. If visitors are traveling 300 miles or more, a request for extended time may be submitted 15 days prior to the visit. Extended time means the visitor will be allowed to visit from 8:00am-4:00pm. This request must be specific, and list the exact days (i.e. Friday, Saturday, Sunday, and Monday) of the visit. Failure to do this may result in shorter visits. Special visits shall only be allowed under extraordinary circumstances (i.e. military deployment, holidays, etc.), on Wednesdays, Thursdays and Fridays. Special visits shall be reviewed and approved by SCC's administration on a case-by-case basis, 15 days prior to the visit.
