VISITING RULES AND REGULATIONS
Effective October 14, 2019

ALL SEATING WILL BE ASSIGNED BY THE VISITING ROOM OFFICER(S).

PROFESSIONAL VISITS:
Courtesies are extended due to status of professional visitors. Conduct of professional visitors during the visit shall remain at a professional level. Physical contact is limited to a customary handshake. Should the visitor desire to embrace the inmate in such a manner to suggest a personal relationship, the visitor should seek a personal visit through the personal visit application process.

- All professional visits shall be scheduled in advance through the Warden’s Office.
- Contact visits will be allowed based on the visiting schedule of the unit the inmate is assigned.
- Non-contact visits will be allowed if the visit occurs on a non-visiting day for that inmate’s unit.
- Professional visitors may purchase items for their personal consumption and the inmate’s consumption from the vending machines.

***LEGAL/ATTORNEY VISITS will be scheduled by the Warden’s Office. These visits will be conducted as any other professional visitor in the Visiting Room. This includes District Attorneys and Public Defenders.

*** LAW ENFORCEMENT VISITS will be scheduled in writing by the Warden’s or Associate Warden’s Offices and will be conducted in the Operation’s Room.

PERSONAL VISITS:

PRIOR APPROVAL: Any person arriving at this facility without prior approval will not be granted entrance. All prospective visitors, including minors, must fill out a Nevada Department of Corrections (NDOC) Visiting Application completely; any blanks or unanswered questions will result in the application being returned to the applicant unprocessed. We accept only the original. The visitation process may take several weeks, depending on how many applicants we have processing at the same time. Letters will be mailed to each applicant informing them of the outcome of their application. Faxed applications will not be accepted.

Persons shown by substantial evidence to be of a harmful effect to an inmate or who constitute a threat to the security of the institution will not be approved. Any falsification or omission of information may be cause to deny approval or withdraw prior approval. Any person under the influence of drugs or alcohol will be denied.
IDENTIFICATION for visitors 16 years of age or older must present verifiable proof of identification such as State or Federally issued ID, Driver’s License, Passport, or Consular ID when checking in for a visit. Identification must be provided for each time the visitor comes in for a visit. Persons without proper identification or who cannot establish identity by any other means shall not be permitted to visit.

SEARCHES: All persons and vehicles entering State property are subject to search. Visitors will be required to sign “Consent to Search Form.” Refusal to sign will result in denial of visit. If required, visitors shall consent to clothed body search performed by an Officer of the same sex. Visitors may be required to remove shoes, jackets, and other outer clothing. All visitors must pass through and clear a metal detector. All visitors may be fingerprinted.

LIMITATIONS: Each inmate may have only four (4) visitors at a time, including minors (excludes Disciplinary Segregation). The total number of people allowed in the visiting center will not exceed 148. The Warden, with the approval of the Director, may regulate the number of visitors, hours of visitation, and termination of visits for reasons of space, security, and institutional emergencies.

** On “high traffic” visiting days, persons who have visited the longest may be asked to leave in order to accommodate other visitors.

*** SPECIAL NOTE ***
If a visitor has to leave for any reason once processed through the metal detector, their visit is considered finished for the remainder of that visiting day. Visitors should ensure they have removed all items not allowed from their person(s) prior to walking through the metal detector.

IMMEDIATE FAMILY MEMBERS are defined as spouse (common-law is not recognized), father, mother, step-father, step-mother, sons, daughters, brothers or sisters, grandparents, grandchildren, step-children, step-grandchildren, aunts and uncles and/or legal guardian (such as foster parent(s)).

CHILDREN (UNDER 18) – The approval process is as follows: A notarized visitation application MUST be accompanied by a certified copy of their birth certificate and picture ID (such as state ID, or a photo of the minor). If children reside with the legal guardian, guardianship documents are also needed. If the parent/legal guardian of the approved minor is not an immediate family member, an original notarized letter from the parent/legal guardian is needed granting permission of an approved adult visitor on the inmate’s list to escort the minor.

MINORS (AGE 16 AND 17) unaccompanied by parent(s)/legal guardian(s) must have an original notarized letter from the minor’s parent(s)/legal guardian(s) indicating his/her permission to visit without an adult. All other minors will be under the supervision of their parent/legal guardian who is on the inmate’s approved visiting list.

CHILDREN are the responsibility of the visiting adult. Any discipline is the visitor’s responsibility. Physical discipline (spanking) is not permissible under any circumstances. Children must be kept in the area of the responsible adult and supervised at all times. Children must leave with the same adult who brought them. Children causing any disruption of the visiting center may be cause to terminate the visit.

The children’s play area is for children and their parent/legal guardian ONLY.
All visitors with minor children (9 years of age or younger) who wish to utilize the outside playground must sign a Release of Liability letter absolving the NDOC, as well as FMWCC, of any liabilities due to injuries incurred while utilizing the play equipment. The playground is provided for entertainment and bonding purposes for the inmate and visitors with their minor children only. Visitors and inmates without children may not have access to the playroom and playground. Children must be supervised at all times by the visitor.

BREASTFEEDING: In accordance with NRS 201.232 Breastfeeding, visitors who are breastfeeding will be permitted to breastfeed their child either at the assigned visiting table or at another vacant table upon the visitor’s discretion, with the Visiting Officer’s authorization.

CONDUCT OF VISITORS: The visiting center is furnished and maintained so as to make your visit as pleasant as possible. Any deliberate negligence of these facilities may result in suspension of that and/or future visits. At no time while in the visiting center will Visitors communicate in any fashion with other visitors or inmates (other than the inmate they are scheduled to visit). Wandering into an off limited area, sitting/standing with your back to the Visiting Officer(s), acting in a manner unacceptable in a public situation, are grounds for termination the visit. Visitors entering or leaving any facility are not permitted to speak with any inmate through the gate; violators are subject to suspension of visiting privileges. Adult visitors will not sit on the same side of the table as the inmate; children 8 and under are excluded from this rule. Inmates will be seated in the center of their side of the table with their legs under the table and their hands on top of the table at all times. Sitting on the edge of the tables is not permitted.

The following actions may result in termination or suspension of visiting privileges:

   - Being loud
