**RECLASSIFICATION SCHEDULE**  
**ADMINISTRATIVE REGULATION – 506**

**SUPERSEDES:** AR 506 (10/15/13); AR 506 (Temporary, 11/04/14); AR 506 (05/19/15)

**EFFECTIVE DATE:** PENDING

**AUTHORITY:** NRS 209.031; NRS 209.041; NRS 209.341; NRS 209.351; NRS 209.352;  
NRS 209.361; 209.391; NRS 209.471; NRS 209.492; NRS 209.501

**RESPONSIBILITY**

The Director of the Nevada Department of Corrections (NDOC and Department), is responsible for the implementation of this Administrative Regulation (AR).

The Wardens will ensure that their appropriate assigned subordinate supervisors have read and understand this regulation.

The Associate Wardens will ensure that their appropriate assigned subordinate supervisors have read and understand this regulation.

Supervisors will ensure that their appropriate subordinate staff members have read and understand this regulation.

Staff members will know, comply with, and enforce this regulation.

If, and where applicable, offenders will know and comply with this regulation.

An Associate Warden/Facility Manager is responsible for ensuring ~~inmate offenders~~ are classified in a timely manner as outlined in this AR, to ensure and for ensuring all classification reviews are documented.

**506.01 REGULAR (PERIODIC) CLASSIFICATION**

1. A new classification risk assessment in the Nevada Offender Tracking Information System (NOTIS) is required when the proposed classification is a Periodic classification.

---

A. Regular or ~~periodic~~ Periodic reclassification ~~reclassification~~ will occur no less frequently than once every ~~six~~ twelve months.

1) Offender with identified disabilities shall be reviewed for a custody reduction every six months or if the offender feels he/she is eligible for a custody reduction they may submit a request to the unit Correctional Casework Specialist (CCS)/caseworker.

a) The CCS shall schedule a meeting with the offender within 30 calendar days of their request for review of custody reduction.

A.B. \_\_\_\_\_ The schedule of future ~~re~~classification hearings is reset each time an inmateoffender receives a periodic ~~re~~classification.

2. NOTIS provides a means of identifying inmateoffenders who are eligible, overdue or require an interim date for periodic classification.
3. Periodic ~~re~~classification includes a review of all case factors relevant to the inmateoffender's custody, housing, and assignment.
4. The frequency of classification hearings for inmateoffenders who are placed in administrative segregation are governed by AR 507.
5. Interim review dates can be set to update classification in response to the following:
  - A. Violence, time frame release, post-disciplinary, or other changes that could affect a reduction in custody. This may or may not require a new ~~re~~classification risk assessment to be completed when a custody level increase or decrease is recommended.

## 506.02 INSTITUTIONAL CLASSIFICATION

1. Institutional classification involves a review of selected items of an inmateoffender's classification as opposed to a regular review where all aspects are considered.
2. Institutional classification may occur as often as necessary to adjust those elements of an inmateoffender's status which do not require approval by the Offender Management Division (OMD).
3. Institutional classification does not require a new assessment be completed.
4. Institutional classification does not affect the periodic classification date.
5. Institutional classification may be conducted in-absentia, but must be documented in the case note, if:
  - A. The proposed change is minor.

- B. Not adverse to offender's classification.
- C. Security precludes the inmateoffender's presence.

D. InmateOffender waives presence.

~~E. The reason will be noted in the classification entry.~~

6. Reclassification-Classification Committee Composition

- A. The reclassification committee should consist of at least two (2) members including the assigned CCS as chairperson and either one other CCS or one custody staff. The Associate Warden or CCS\_III will act as the ~~approval~~ approving authority.
- B. At conservation camps and transition housing centers, the committee should consist of at least two (2) members including the CCS as chairperson and the Facility Manager or the most senior correctional officer on duty.
- C. At conservation camps, the Nevada Division of Forestry (NDF) supervisor may attend the meeting as a non-voting member.
- D. The committee may also include other representatives as non-voting members, when necessary to meet the treatment, program or due process needs of the inmateoffender.

### 506.03 CHANGE CLASSIFICATION

- 1. Specific events or the satisfaction of various statutory requirements for reduced custody may indicate the need for a Change Classification hearing for the inmateoffender. These events or circumstances may include but are not limited to:
  - A. The ~~six month~~ anniversary of an inmateoffender's last ~~periodic~~ Periodic classification Classification.
  - B. Completion of casework which resolved uncertainties and removes obstacles to an inmateoffender's progression through the classification system.
  - C. When an inmateoffender has met the criteria for assignment to a reduced custody by satisfying the time frame to release and time frame to violent elements of classifications.
  - D. If an offender has been issued a DOC 2070 form (Notice of Sex Offender Classification) advising of discretionary preclusion from minimum classification consideration, the offender may request ~~When an inmate has been identifying as having been arrested for two or more sexual offenses arising from separate incidents, and/or convicted as an adult, or adjudicated guilty as a minor, for a felony offense~~

---

---

~~allegedly involving sexual misconduct a DOC Form 2070 will be completed. If the inmate wishes to appeal, the discretionary decision,~~ a Full Classification Committee ~~is~~ to be conducted with no less than a 3-member panel. This panel should include an Associate Warden or designee; the inmateoffender's CCS and/or another CCS or a uniformed-correctional officer with the rank of Sergeant or higher. The results of the full classification will be distributed to the inmateoffender using DOC Form 2086 (Discretionary Preclusion (DOC 2070) Hearing Results). All actions noted above are also to be recorded respectively in the inmateoffender's case notes.

E. Transfer to another institution/facility.

- 1) An intra-department transfer will be preceded by a Change Classification with a new assessment by the sending institution/facility and will be approved by OMD. This is necessary to establish the inmateoffender's new classification status.
  - a) During regular business hours (Monday through Friday 8:00 a.m. – 5:00 p.m.) approval will be given by designated OMD staff prior to a transfer in an urgent or emergency situation. The sending institution will e-mail OMD the reason for the request and including the inmateoffender's name and number after completing the assessment and case note in NOTIS. OMD will review and approve the classification and respond to the sending and receiving institutions by e-mail.
  - b) After business hours and holidays, the sending institution will contact the receiving institution directly, enter a case note in NOTIS and transact the inmateoffender using an Unscheduled Transfer in NOTIS. A change classification instrument will be completed on the first workday following the unscheduled transfer. The sending institution is to email the designated appropriate-OMD staff(s)proxy the next business day after the change classification has been completed.

**506.04 EVENTS OR CIRCUMSTANCES WHICH MAY REQUIRE A RECLASSIFICATION REVIEW**

1. Post disciplinary classification

- A. Subsequent to a disciplinary hearing, the confinement of an individual in disciplinary segregation, austere housing, or institutional transfer may require the completion of a classification hearing.
  - 1) This is necessary to document exclusions from various custody levels based upon the disciplinary sanctions and to correct computed custodies based upon segregation.

- 
- 
- 2) These hearings would also document disciplinary segregation outdates in case notes and the OFFENDER CARE IN PLACEMENT screen of NOTIS. Classification staff should be trained in the regulations (AR ~~707-507~~ and AR 507707) which govern the circumstance.

2. Requests for Protective SegregationHousing

- A. An inmateoffender requesting assignment to Protective segregation-hHousing should have their request considered and acted upon by the classification committee.
- B. Requests for Protective segregation-hHousing should be treated as a priority matter and not be delayed unnecessarily, and any exclusions documented in the NOTIS assessment.

- 1) If approved for Protective Segregation-Housing, corresponding Alert and Care in Placement entries will be entered in NOTIS, accordingly.

3. Post Parole Board

- A. A hearing before the Nevada Board of Parole Commissioners (Parole Board) usually represents a significant milestone in the inmateoffender's sentence.
- B. Custody reductions or custody increases may be appropriate.

4. Post-Conviction

- A. Changes in the inmateoffender's legal status subsequent to their arrival at the Department may have an immediate and direct bearing on their classification status.
- B. ~~These changes could is would~~ include, but areis not limited to, sentence reductions, new convictions and the placement or removal of holds and detainers.

#### **506.05 HEARING REQUIREMENTS FOR ADMINISTRATIVE SEGREGATION AND PROTECTIVE SEGREGATION**

1. The frequency of classification hearings for inmateoffenders who are placed in administrative ~~or protective~~-segregation areis governed by AR 507 ~~and 509~~ respectively.
2. Classification staff should consult those regulations for guidance concerning the frequency and conduct of hearings.

#### **APPLICABILITY**

1. This Administrative Regulation applies to all inmateoffenders within the Department.
2. This Administrative Regulation does not require an Operational Procedure.

---

3. This regulation requires an audit.
