## 707.01 DEPARTMENT POLICY

1. All offenders committed to the Department, including Safe Keepers, shall be subject to disciplinary action for violations of the Department's rules and regulations.
2. Disciplinary action should be taken as soon as practical following the misconduct.
3. Discipline shall be applied in an impartial and consistent manner.
4. Corporal punishment or inhumane treatment is prohibited.
5. Disciplinary proceedings are an administrative process, unrelated to and not bound by the rules for criminal procedures, civil trials, administrative codes, or procedures.
6. Offenders shall be informed that they can file an appeal on any portion of their discipline related to due process and/or sanction imposed as a result of the hearing, through the grievance procedure, unless a bargained plea or a guilty plea has been rendered.
7. Offenders sanctioned to Disciplinary Segregation shall be advised they can petition the Warden for a release from segregation, by the utilization of the Offender Request Form (DOC 3012) referred to as a kite, prior to the completion of the imposed sanction as a result of demonstrated good conduct, after serving one-half of their imposed sanction. Bargained pleas are exempt from early release.
8. Upon commitment to the Department, all offenders shall be issued and required to sign for a copy of the Offender Disciplinary Manual and Administrative Regulation 707 Offender Disciplinary Process.
  - A. Signed acknowledgments will be maintained in the offender's I-File.
  - B. When literacy and/or language problems prevent an offender from understanding the manual, a staff member and/or translator will assist the offender in understanding the rules.
9. The manual will be available to all offenders. A copy is kept in the institutional law library and/or in the housing units.
10. The offender disciplinary process includes the following procedures.
  - A. A Notice of Charges Form (DOC 3017) will be generated with a charge supported by "some evidence."
  - B. The findings of the hearing shall not be arbitrary or capricious, and the findings can be supported by the hearing officer's review of the evidence. Only the most serious Code violation that is supported by "some evidence" shall be sanctioned.

- 
- C. Additional Penalties or Enhancement charges supported by “some evidence,” may also be sanctioned, in addition to a Major Violation. Imposition of said sanctions are contingent upon the finding of the prescribed fact. Limits on imposed Disciplinary Segregation time shall not be infringed.
  - D. If at any stage during the hearing process, whether at the Preliminary Hearing or at the Hearing Officer stage, it is known or suspected that the offender’s mental health or medical condition was a substantial cause of the misconduct and/or that the offender is assigned to the Mental Health Program, or has already been diagnosed with a Serious Mental Illness (SMI), the offender shall be referred for a psychological evaluation prior to the disciplinary hearing.
  - E. The psychological evaluation must state whether the misconduct was a result of the offender’s mental health and/or whether mental illness contributed to the misconduct. This evaluation will be included in the written documentation for consideration by the Hearing Officer when determining the sanctions to be imposed pursuant to Disciplinary Sanctions in the Offender Disciplinary Manual Administrative Regulation 707.01.
  - F. If during the psychological evaluation, the staff conducting the evaluation suspects the misconduct may have been a result of a medical condition, such as but not limited to, Dementia, Alzheimer’s, and/or any other condition, such as Traumatic Brain Injury (TBI), the staff person shall refer the offender to medical staff for their review and recommendation.
  - G. If it is determined that the offender’s misconduct was a result of their mental health status or that the offender is assigned to the Mental Health Program, the offender shall be given reasonable and appropriate accommodation in preparation for the hearing, and the offender may be provided with assistance during the hearing.
  - H. If an offender is diagnosed with an SMI, or has a medical condition, as determined by mental health and/or medical staff that may have affected the offender’s behavior which resulted in the Notice of Charges, the Hearing Officer may mitigate the sanction pursuant to Disciplinary Sanctions in the Offender Disciplinary Manual Administrative Regulation 707.01.
  - I. The offender’s misconduct shall be documented, and the finding may include a finding of guilt. However, the sanction for an offender who is diagnosed as SMI or has a medical condition that directly affects the offender’s conduct, shall not include Disciplinary Segregation or Disciplinary Detention.
  - J. If an offender’s mental health or medical condition is a threat to self or others or is disruptive to the orderly operation of the facility or institution, the offender may be placed in Administrative Segregation. The placement in Administrative Segregations shall be considered part of the disciplinary action taken. The placement in Administrative Segregation shall be temporary until a more suitable placement is identified, or the condition is treated.

- 
- K. If, after the sanction has been mitigated, it is determined that the offender was not SMI or that there were no medical conditions that should have affected the behavior and the outcome of the hearing, the information relative to the offender's manipulation shall be documented and the documentation shall be used to process disciplinary action against the offender.
- L. The Preliminary Hearing Officer has the authority to "amend" a charge, as appropriate, and cannot add any additional charges.
- M. A Hearing Officer may reduce the severity of sanctions for a violation if the offender pleads guilty to the charge. Offenders cannot appeal a guilty plea.
- N. A Hearing Officer may reduce the actual sanction for an offender in a transitional center or camp or is classified as a Community Trusty. This would include but is not limited to, tobacco or other violations that do not include new charges for violations of existing statutes.
- O. Sanctions for Community Trusty's and offenders assigned to a transitional center or camp may include restrictions on privileges specific to those areas.
- P. The designated Preliminary Hearing Officer shall serve notice:
- 1) Within 15 calendar days of the date of discovery of the violation.
  - 2) Within 15 calendar days of the completion of investigative work concerning the incident; or
  - 3) In the case of an escape, within 15-calendar days after the escapee's return to NDOC custody.
- Q. If the offender chooses not to waive the NDOC's disciplinary hearing process, a hearing shall be conducted and the offender's decision not to waive the hearing shall be documented on the disciplinary hearing documents for the offender's signature.
- R. At least 24 hours prior to any formal hearing before a Disciplinary Hearing Officer, the Notice of Charges shall be served to the offender. At that time the offender may waive the 24-hour period and elect to continue with the Preliminary Hearing. The Hearing Officer will document that the offender has agreed to waive the 24-hour period in NOTIS. An offender shall have an opportunity to provide documentary evidence relevant and appropriate to the alleged violation. An offender may call witnesses with substantive knowledge of the issues except for a witness who has been discharged, who is not located at the facility or institution where the hearing is being conducted, or who poses a threat to safety and security. The witnesses may be present during the hearing, at the discretion of the Hearing Officer.

- 
- S. An offender shall be provided with a written statement by the Disciplinary Hearing Officer as to the evidence relied on, provided that doing so would not jeopardize institutional safety, security, or safety of others.
  - T. A finding of guilt shall be based on “some” evidence. The finding will not be arbitrary or capricious, and the finding can be supported by the Disciplinary Hearing Officer’s review of the evidence.
  - U. Any period for which the offender is sanctioned to disciplinary segregation must be expressed in terms of the maximum number of days the offender may be subjected to disciplinary segregation.
11. Reliance on any published standard, the use of mandatory language, if such exists, or the creation of procedures related to the conduct of the disciplinary process, including, but not limited to, timeframes, witnesses, or appeals, is solely for the purpose of providing guidance for employees and shall be considered representative of the manner in which the Department has chosen to exercise the Department’s discretion in such matters. The failure of any employee of the Department to follow any procedure shall not result in any mandatory outcome (e.g., dismissal of charges) but shall be one of many factors to be considered in exercising discretion as to the outcome of any violation. A rehearing may be ordered by the Warden if warranted.
12. Any disciplinary case may be continued to allow the Preliminary Hearing Officer or Disciplinary Hearing Officer to obtain guidance from the Office of the Attorney General concerning any matter in the offender disciplinary process.
- A. Offenders do not have any right or privilege to request or participate in obtaining guidance from the Office of the Attorney General.
  - B. The Department may seek guidance in writing and/or verbally.
  - C. The Department’s request for guidance shall only be made if there is confusion as to the application of the guidelines set forth in this Code.
  - D. The Office of the Attorney General shall not be asked to render an opinion as to the guilt or innocence of an offender facing disciplinary charges.
