# Data Limitations/Notes

- Unless specified, figures in this report are retrieved from the Nevada Department of Corrections InfoView data warehouse, from the Nevada Department of Corrections Offender Tracking System (NOTIS), or from internal NDOC reports. Data published in this report were extracted from a live database; thus, it is possible that figures reported in tables and charts do not balance to totals reported in other reports published by the Nevada Department of Corrections (NDOC). Select distributions consist of estimates and are susceptible to rounding error and missing data that may cause these distributions not to add up to exactly 100%. Current fiscal year data for the NDOC or for other agencies are not always available at time of edition.
