Data Limitations/Notes

- Unless specified, figures in this report are retrieved from the Nevada Department of Corrections InfoView data warehouse, from the Nevada Department of Corrections Offender Tracking System (NOTIS), or from internal NDOC reports. Data published in this report were extracted from a live database; thus, it is possible that figures reported in tables and charts do not balance to totals reported in other reports published by the Nevada Department of Corrections (NDOC). Select distributions consist of estimates and are susceptible to rounding error and missing data that may cause these distributions not to add up to exactly 100%. Current fiscal year data for the NDOC or for other agencies are not always available at time of edition.

Footnotes

1. These figures are derived from in-house population totals, which include offenders held in NDOC institutions and facilities. NDOC has been gradually converting its offender population racial group categories pursuant to the the U.S. Office of Management and Budget 1997 Standards for the Classification of Federal Data on Race and Ethnicity. These standards encompass a minimum of five racial groups.↵
